Hi Alan,

I am wondering if we will be able to place the FY 23 audit report on the Board Agenda for June 10.

Thanks,
Matt

Based upon our most recent communication from RSM, I'm not optimistic. I am going to reach out to try to get something more clear than what we got back from them regarding ETA expectations. Alan, jump in if you have any newer communications from yesterday or this morning, or other information at this point after you responded to their latest inquiry.

Cheers,
