Adam,

Can you please let me know where our grant agreements are stored? The auditors are looking for a stack of them.

What type of grants are we talking about? For federal grants, they should all be in CASA to the extent that they exist. For private or state grants, they may be in CASA, but all should be available in BoardDocs. I don't know if that grants file we kept from the docs in my office has any info related to what's needed; those files should all be on top of our file cabinet in the secure room at the ESC, I believe.

Cheers,
