Adam,

Can you please take a look at this file? If there is anything that you think would meet requirements for capitalization, please label it as "Review" in column J, filter that column for "Review" and then send the file to Peggy to pull the invoices. There was a considerable amount of items that were duplicated or erroneously included on the FA listing, so I'm taking another look at things to see if there are items that were missed in Janet's review. I've already taken a couple passes, and sent one batch over to Peggy to pull invoices for me while I'm dealing with Jury Duty. If I can get copies of the invoices I requested, I'll be well positioned to wrap up the fixed assets on Monday or Tuesday. Most everything the auditors have sent I've responded to except this, and a small item I sent to Emily and to Emelia.

Sorry, I'm sure you have a ton of stuff to catch up on after vacation. If you don't have time to skim through this you can drop the filter on it as is, and forward it on to Peggy.
