Hey Alan,

Could you draft an audit update to go to the board?

We can touch base on details as needed.

Cheers,

The draft financials have been provided to RSM and fieldwork has been scheduled for the review. However at this time it is difficult to provide a timeline on delivery of the final report since this work is being completed out of cycle. Fieldwork is scheduled for the week of March 10th, and is expected to take roughly two weeks.
