Hi Kenisha,

We are working through the final stages of our delayed FY23 process with RSM, and expect to have our ACFR developed and made available during November or December, at the latest, pending further auditor requests. We plan to seek reinstatement at that time. As soon as that process wraps up, we will begin our FY24 audit process, which we expect to conclude with a report in April, 2025.

Please let me know if I can provide any additional information.

Cheers,

Adam Kurth
