Hi Adam,

I took a look at EMMA today and didn't see the audit uploaded. Do we have any updates on the audit?

Thank you.

Ben

Hi Benjamin,

We are working through the final stages of our delayed FY23 audit process with RSM, and have submitted all materials to RSM at this point. We expect to have our completed ACFR in late January, and we will share our report and it will be published to EMMA at that time. For reference, this delay was caused primarily due to staff turnover (one retirement and one resignation) that derailed our audit process.

Cheers,

Good Morning Mr. Kurth,

Based on the size of your loan relationship with Truist Governmental Finance, we are required to complete an annual review of your audited financial statements. Please send an electronic copy of your 2023 audit by replying to this email.

If your 2023 audit is not yet complete, please send the estimated date of completion and the best contact for future follow-up. I checked both the EMMA website, the District website, and the Iowa Auditor of State, but did not locate. I assume then the audit is not yet complete, can you provide any update as to when completion is expected?

Thanks,

Benjamin Garner
