Superintendents,

The following message has also been sent to district Business Managers.

Please find attached the final report form for **IDEA Part B Basic** (CFDA 84.027) funds to be used for the 2024-25 school year and a spreadsheet indicating the 2024-25 amount for your district. Refer to your mid-year report as to how you indicated funds are being used within your district. Complete the attached final report form (include the cover page marked FINAL REPORT, the budget/expenditure page, the narrative(s) and the signed assurances).

Remember that expenditures reported to the AEA by the district will be cross-checked with the district's submitted Certified Annual Report (CAR) and Special Education Supplement (SES). If a district's expenditures reported to the AEA do not match those in the CAR they will be investigated and will need to be corrected.

Reports are due to Grant Wood AEA by Friday, June 6. Email the completed Final Report as a *WORD* document to me at acameron@gwaea.org. Additionally, please print, sign and send the original assurances to my attention.

Also, if there will be any contact changes for the 2025-26 school year regarding Superintendent and/or Business Manager, please let me know.

Thank you,
Amy
