Good morning,

The district is scheduled to appear at the SBRC hearing scheduled for Wednesday, January 8, 2025.

The review of submitted exhibits by the Department of Education as requested by the SBRC and the decision recommendation developed by Department staff regarding the district's hearing based on SBRC's own policies, rules, and precedent is attached. Included at the top of the recommendation is the approximate hearing start time. Times are approximate because the SBRC will take as much time with each hearing as it needs to make an informed decision. Please arrive at least 30 minutes before the scheduled time at the Grimes State Office Building in Des Moines, second floor, State Board Room or in the Zoom meeting if appearing virtually.

The attached recommendation has five main components: Introduction, Summary & Analysis, Information from the District, Information from the Department, and Decision. A summary of each section is provided below.

Introduction – Purpose of the hearing

Summary & Analysis – Provides the authority under which the request is heard; lists the required exhibits

Information from the District – Generally this is the cover letter, narrative, and potentially a summary or overview of other documentation. The complete list of the district's exhibits is provided digitally and in print to the Committee no later than a week prior to the hearing.

Information from the Department – Generally discusses SBRC precedence and standard informational items requested from the SBRC as part of the review

Decision – Based on the authority of the committee, precedence for the request, and the review of district's exhibits, includes the Department's recommended decision.

The district is required to attend.

All materials presented to the SBRC must first be staffed by the Department of Education. Please do not bring additional exhibits to the hearing. The SBRC members have received the submitted exhibits to review prior to the hearing. Once the hearing is introduced, the district will be expected to provide an oral summary of the district's request and supporting documentation. Please limit the district's oral summary to approximately five minutes to give the SBRC time to discuss the exhibits and ask clarifying questions of the district.

If connecting via Zoom, please be sure the display name on Zoom matches the name(s) indicated in the district's cover letter for those individuals identified as representing the district at the hearing. District representatives will be promoted to presenter during their respective hearing. A "reconnecting to meeting" message may be displayed during this transition and the transition from presenter back to observer at the conclusion of the district's hearing. The link is included in the attached Schedule of Hearings.

No additional response to the Department regarding this message is necessary. If you do have questions, please let me know.

Have a good day,
Stephanie
