Greetings,

Attached is the Open Enrollment Billing document for the First Semester only from MPCSD to your District for fiscal year 2024-2025. I selected your email from last year's billing as adjusted or the Certified Enrollment Portal or by looking at your District's website. If you are not the person I should be emailing, please let me know and also ask you to forward to the appropriate person in the district with my apologies.

We plan to bill two times, once for each semester. Thanks in advance for processing our bills for payments. The first payment can be made anytime between now and the end of February 2025.

We plan to email the Second Semester Bill in mid-May. The second payment can then be made prior to the end of June 2025. We will be proactive to changes as we become aware of any and will adjust as needed.

A few of other items:

- Special Education Students/IEP Students are not billed here except for TLC, Professional Development, and possibly Early Intervention if the student is Kindergarten to Grade 3.
- The First Semester Special Education Tuition In Bills will be sent from the DE's system sometime in the first or second week of January.
- If Concurrent Enrollment billing is required, it is included as an attachment.

Please do not hesitate to contact me should you have questions.
