Good afternoon.

Just FYI, you will see I submitted **two claims** in Iowa Grants for Perkins

One is for **Equipment** and one is for **PD Travel**.

Equipment - \$38,644.32

Travel PD - \$16,364.05

These claims **line up to the penny to** exactly what I see in Weblink. I wanted to make you aware of this when you see two separate checks come in and what they are for. I have attached the claims and my working papers.

Sam or Alian, I will need to set up a meeting to get information from Weblink for subs and not sure if this information has been posted yet for teachers that were out for a conference at the beginning of December.

Would either of you be able to meet with me to show you what I need? We also need to discuss how to bill for my Salary out of Perkins as this has been done towards the end of the year typically.

Thanks so much!

Have a great night!
