Michelle,

Hello. We are currently working with our accountant's on an audit for 2024 projects. They have chosen Lucas Elementary E. Access SW and Storm Improvements as one of the projects. The only contact that I have for ICCSD on this project is you. Would you be the appropriate person to send the audit confirmation letter (requesting the accounts receivable amount) to? If not, would you be able to give me an email contact for them to send it to? Thanks!

Yeah, you can send it to me... but it's weird to me that they are asking for an email, I've always had confirmation letters on letterhead in the mail.

Okay, NOPE! I'm not going to open links from an unknown source. If their auditors want confirmations, they can send me a confirmation in the mail on the clients letterhead.

Good morning,

OK I'll let them know that you prefer a letter in the mail. I did provide them with mailing addresses on letterhead as well, but they said they usually have better responses via email. This is the RSM accounting firm in Iowa City. Would it just go to the Iowa City Community School District mailing address to your attention? Thanks.
