Hi Hollie,

We continue to work with RSM, our auditing firm, on completion of our audit. At this point, we believe that all information has been provided in order for the audit report to be completed, but RSM has to this point not provided us with a firm date on which the report will be available. We will reach out to them for an update today and try to get you a specific date by Friday, but I wanted to provide you with this update in the meantime.

Please let me know if I can provide additional information at this point.

Cheers,
