Hi All,

Thanks for the heads-up, Kiane.

Steve, I'd be happy to work with you to get everything squared away. Let's connect next week to finalize the bill of sale and confirm the donation details; please include both me and Alan Moran (copied on this email) on any messages. Once we've got that in place, we can coordinate the title transfers. I'll also confirm what documentation we need to keep on file for audit purposes.

Let me know what times work for you to meet next week.

Cheers,

Sorry for the quick follow up email, but I didn't think about our CFO. Adam may want to be the one to do this, since it is an asset

I don't think today is the best to try and meet. I still need to get the titles signed and I am not the person who signs those over. If you could have the place that they are being donated fill out their information first, then we can meet with Jarod and sign all that over.

Will you be around this morning? I could stop by and see if we can accomplish at least the 1st steps. I have a blank Bill of sale I can bring.

Sure Steve, On our end it should be as easy as signing the titles, but before we do that, there needs to be a bill of sale. I know they are being donated, but there has to be a paper trail so that the titles can legally be transferred.

Will you be available next week for me to come and visit to figure out what we need to do to transfer trailer titles?

Hi All,

Thanks for the heads-up, Kiane.

Steve, I'd be happy to work with you to get everything squared away. Let's connect next week to finalize the bill of sale and confirm the donation details; please include both me and Alan Moran (copied on this email) on any messages. Once we've got that in place, we can coordinate the title transfers. I'll also confirm what documentation we need to keep on file for audit purposes.

Let me know what times work for you to meet next week.

Cheers,

Hi Adam-

This is the email chain I referenced in my voicemail. Could you please work with Steve Merkel on the details of the donation and bill of sale? As I mentioned, we have the trailer titles here when you determine what should be done with them.

Thanks-
Kiane
