Adam,

Do you have the actual outstanding balances for our bonds or any other debt? There is a significant variance between ledger balance and what is included in the note 6 disclosure.

Hey Adam,

Can you please resend me these for FY 23? [REDACTED], and it puts my variance down to just about \$1MM.

Yep. I can't find a copy of this from June 2023, but just reached out to UMB to request that they send that to me.
