Good morning Team Dream –

Team ICCSD – Thank you for letting me tag along yesterday and what a great day! I am so glad to have met you all and look forward to staying in touch. I hope you found the day valuable and helpful as you progress on your path to enhancing the opportunities for every student in the Iowa City Community School District!

Team JA – Thank you for hosting and coordinating a great experience with students present and time with the Denver JA team for more context and Q&A.

Looking forward to our partnership and see what we can build together! Have a great rest of the week!

Thank you Melissa! We really enjoyed our trip and getting to experience it firsthand. Hope everyone survived today with limited sleep!

Thanks,
Matt

JA/ICCSO Dream Team

Thank you all for joining on the whirlwind trip to dream with JA Rocky Mountain. It was fun to see students in action, to have our own experience, and ask deep questions that talk about the bigger picture as it relates to K-12 integrated programming.

Specific to the JA Dream Accelerator, here are the outstanding questions, as well as your takeaways attached, and next steps we identified. Note, we will continue to work with the ICCSD team on the particulars related to additional programming to occur as building blocks to this experience both in the schools, at the CFI, and the community.

Questions:

- *Pathway Connections:* Be sure to explore and build in counselor/family connections
- *Timing:* Identify the best timing for when the JA Dream Accelerator fits into the curricular plan (i.e. 9th grade fall or 8th grade) for the first iteration.
- *Assessment:* Review and adjust assessment to ensure holistic approach for the district to show both knowledge gain and attitudinal shifts related to work readiness, entrepreneurship, and financial literacy.
- *Features:* Work with ICCSD to identify industry leaders and entrepreneurs to feature in the space.

Next Steps:

- *Vendor Discussion:* Identify best approach for vendor procurement and next steps.
- *Due Diligence:* Finalize due diligence agreement between JAEI and ICCSD (includes cost sharing, asset ownership, employee support, development, project management, etc.)
- *Exploratory Trip:* Connect with 1220 (fabricator vendor) to invite in for a day to explore the space so they can create imagery for what the JA Dream Accelerator would look like on the Dream Level.
- *Finalize Vendor Costs:* After receiving imagery, finalize vendor cost to present for approval at an upcoming board meeting.
- *Fundraising Partnership:* Identify Phase 2 plan for joint capital fundraising campaign.

If I have missed anything, please do let me know.

Nate,

It was a pleasure to learn about all that JA has to offer during our very informative trip to Denver on Tuesday. Having the opportunity to experience the center first hand was invaluable for me. Thank you for taking the time to travel with us.

Sincerely,
Jayne
