Anthony,

I've uploaded the CIP roll forward into Suralink. Do you have a FY 22 fund 61 FA listing you could send me? The fact that the depreciation in that schedule you sent doesn't tie to the ledger is bugging me, and only includes the depreciation for the current year's assets.

I'll get to squaring away the other request here while I wait to hear back from you.

Just following up on my questions:

Is what I submitted to item 84 sufficient for your testing?
What are you trying to test with item 85?
